The "Prez" Sez...

THANK YOU PAUL AND FRANCIE POLLOCK FOR A SUCCESSFUL 2017 TECH DAY!

Rona Dexler
SOCALM "Prez"

A great big shout out to Paul and Francie Pollock for hosting another successful Tax Day Tech Day! The brats and camaraderie were free flowing till the wee hours of 6pm. Some of us decided to keep the party going at The Bear Pit for a light meal afterwards. It was nice to see some new faces amongst the old favorites (Ross and Patti M., I'm looking at you!) and a few Miata.net guys. Andrew from the Miata forum brought his much loved Ford-Sierra XR4Ti, and a friend of the Pollock's brought his Triumph TR-6. Bruce B showed up in his other "Miata" a 1956 Chrysler Imperial Hemi.

Missed out? Here are some of the highlights:

- The 2nd Qtr 2017 Board Meeting
- Meeting Magnus the Wonder Poodle
- Brushing Sapheda's teeth for the first time
- Bob eating the World's Most Burnt Hot Dog
- Washing cars INSIDE the garage!
- Dan Schulz's World famous Brats
- Porto's pastries (enough said)
- Pete C! You make a mean deviled egg!

Not too much "tech" stuff was done this year as the dent guy and the windshield guy were not on hand. Maybe next year?

It's Official, the Miata Is Old: First-Gen Versions Now Eligible for Vintage Racing

APRIL 20, 2017 AT 10:01 AM BY [AARON ROBINSON](#) | PHOTOGRAPHY BY MAZDA MOTORSPORTS

Those of us who well remember 1989 and the very first moment we clapped eyes on a [Mazda MX-5 Miata](#) have yet another reason to shudder at the increasingly cold breath of Father Time: the Sportscar Vintage Racing Association (SVRA), one of the main sanctioning bodies for vintage racing in the United States, has created classes for all first-gen Miatas, including the early 1.6-liter and the later 1.8. The first weekend for the SVRA's new Mazda Miata Heritage Cup will be April 28–30 at the Auto Club Speedway in Fontana, California.

The recognition by SVRA that first-gen Miatas have become old cars was perhaps hastened by the continued popularity of the Spec Miata class in the more contemporaneous Sports Car Club of America and National Auto Sport Association events. Mazda doesn't have an exact figure of racing Miatas; it only knows that it has sold 3000 Spec Miata kits for first-gen cars—a.k.a. the NA model—over the years, and typical SCCA and NASA events have ample first-gen fields.

More than 400,000 first-gen Miatas were produced between 1989 and 1997. Total Miata production passed the 1 million mark last year, with an average of just over 37,000 of the roadsters produced every year since '89. It became the best-selling roadster of all time in 2000, when production passed 531,000.

Pauma Valley Run— June 3, 2017

DATE: June 3, 2017
9:00am - 3:00pm

This event begins at the Pauma Valley Community Center in Pauma Valley for the 09:00 driver's meeting. I plan to leave at 09:15. These roads are fantastic! This will be a casual meandering run from there to Banning.

Once again, there will NOT be a Lions Club Poker Run this year, so those of you who have been avoiding this event because of that can rest assured that no other entity will be asking for money in order for you to participate in their previous event.

The Lazy H Motel is booked out on this weekend, hence the alternate launch point. Other (very pricey) hotels available in the area include Harrah's Rincon Casino and the Pala Casino. From Pauma Valley, I plan to head toward Julian, through Borrego Springs, over to Anza, and then to Idyllwild before ending the run in Banning. This will be a full day of driving!

Lunch will be at County Line BBQ in Warner Springs. This restaurant has unusual meat selections to go along with the usual ones.

The run will end in Banning at about 3:00 P.M. I plan to stop at Gramma's Country Kitchen for dessert.

SEQUOIA NATIONAL PARK—KINGS CANYON RUN

WHEN: May 19—21 , 2017

Bruce Hamer has volunteered to lead this Spring Miata Run to see some mighty Sierra rivers at work the weekend of May 20-21. Here is an overview, subject to road conditions. You're on your own Friday May 19th, hopefully staying in the Clovis area. (Bob Davis suggests Quality Inn Fresno (near University), 6051 North Thesta Ave., Fresno, 559/435-6593.) Meet early Saturday at Mc Donalds in Clovis, 1055 Herndon Ave. Drive to Kings Canyon Visitor Center at Grant Grove Village for park orientation. Drive to General Grant Tree, end of the Kings Canyon River road (CA 180), and return to Grant Grove Village for lunch (bring picnic or buy lunch). Next drive CA 198 across the Sequoia Nat. Park to the General Sherman Tree and Giant Forest Museum. Drive to Visalia for the night at La Quinta Inn, 5438 W Cypress Ave. This is a 215 mile day on twisty scenic roads. Sunday morning is a fun drive home along the Sierra foothills and CA 155 to Kernville for lunch. Then Kern River, Lake Isabella, Bodfish to Caliente Road, Tehachapi and Palmdale. I suspect some will only participate on Saturday. The run is dependent on opening of some mountain roads.

Please email Bruce if you are interested in joining us and would like the tentative itinerary.

Mt Hood Miata Club—Invitation to Participate

You Are Invited to Join us - Sept. 14-17, 2017

Have you wanted to see the famous Mt St Helens in Washington State that erupted in 1980? Look into the volcano and see the dome growing there? Have you ever wanted to see the iconic Mt Hood that is often used as a symbol for Oregon? If so, we have the event for you: Mt Hood Miata Club presents Hot Lava 2017. We are staying in the beautiful Hood River area on the Columbia River. We start with a Welcome Evening on Thursday, visiting Mt St Helens on Friday, with optional drives to Mt Adams, and Mt Hood. We will have more drives on Saturday with some other activities, culminating with a banquet on Saturday Evening for all participants. We may even have a shorter drive on Sunday as we say Good Bye to our guests. In the past we have had people attend from Canada, the east coast, and many places in-between.

This will be a great weekend to see old friends and meet more Zoomers.

Mt Hood Miata Club website is where to find information on reserving rooms, and will be the place to register for the event (Registration opens in May), and keep up on what is happening as activities are added.

If you have not been to Oregon and Washington, plan to stay a few extra days, there is so much beauty and so many activities to be enjoyed. After all, Hood River is considered the Windsurfing Capital of the World.

<http://www.miatasatmazdaraceway.com/>

THE HISTORY

The first Miatas at Mazda Raceway Laguna Seca - called "Miatas at MRLS" - was a two-day event that ran on March 21-22nd, 2009 as a 20th birthday party for the Miata. It spawned follow-up events in 2010, 2012 and 2013, pulling Miatas from all over North America and beyond.

In 2014, we celebrated 25 years of the Miata with a massive gathering that included the first public showing of the 4th generation car. 2015 and 2016 saw the weekend grow even bigger, with over 800 people attending.

This year we'll be following the same pattern as 2016, with five run groups for more track time and once again a huge Saturday night party with live band. There will also be parade laps on both days for all Miatas.
